Hello!

As a letter writer, by nature, I wanted to say Welcome to my download of Retirement Quotes!

A few ideas on how to use them:

- Read the wisdom and enjoy!
- Print this book and insert it into a Retirement Card, or send via email... the new retiree may not read at the moment, but they surely will appreciate the thoughts later, at home, alone.
- Post some of the quotes around a soon-to-be-retired persons work area. Give them daily motivation and a few smiles during their last days at work. It's not always easy to walk away from work, and you'll only understand the emotions when its your turn to retire... Help them now, make them feel special and appreciated.

Sending many Happy Retirement Wishes to the Special Retiree... seriously, give someone this Retirement Quote Book so they have a resource to go to later, when you are busy working and they are alone at home.
